Welcome to visit Autel at booth 5.1D09 in the National Exhibition and Convention Center (Shanghai), Nov 29 – Dec 2, 2017.

At Automechanika Shanghai, Autel will present the new MaxiSys ADAS for Advanced Driver Assistance System calibration on vehicles, MaxiSys CV for commercial vehicle diagnostics as well as many powerful tablets for passenger vehicle diagnostics.

We look forward to sharing our vision with you in Automechanika Shanghai. You will have a close view of our latest innovations and try out our new products. Also, Autel's technical experts and senior executives will be there to answer all your questions face-to-face. We believe your participation will greatly enhance our mutual understanding and collaboration.

Thank you for your ongoing support. We sincerely hope to see you at the event!
